

Cones Clinic August 5 \$75 Marc Johnson Licensed Course Designer

We are delighted to once again offer Cones Clinic with noted Course Designer—Marc Johnson.

Last year's clinic was a huge success.

If you don't have a horse that is ready, or you are just starting out, come and join us. Watching the other horses make progress with Marc's coaching is a learning experience in itself.

How do you practice cones when you have no cones, no flat area, no timer and you are not too sure of the rules? Come work with the expert of some of the most interesting cones courses you will find on this side of the great waters.

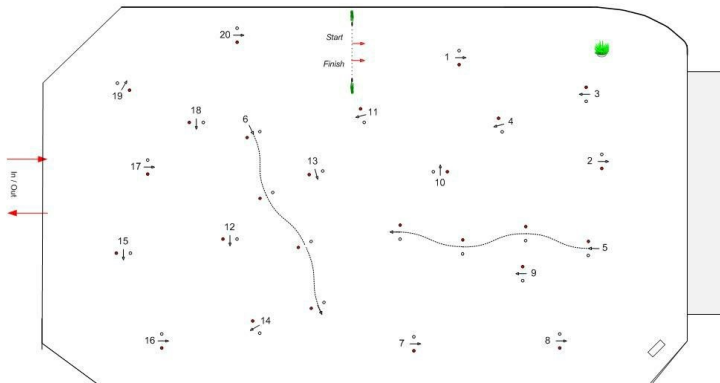

Come and drive two different timed cones courses multiple times, while we time it and you can see the difference. Then we will add a little competition. Learn to train your eye and how to make a plan.

Improve your skills and time. End the day with a competition.

LIVE OAK INTERNATIONAL 2017

	Length	Speed	Time allowed		Length	Speed	Time allowed
Four in Hand Horse	760m	240m/ min	190sec	Four in Hand Pony	760m	240m/min	190 sec
