Why do we charge for the Get Ready for Spring Conference? Because that is how we raise money. Last year we bought timers for over \$850. We held a Cones Clinic for \$50 a person. We offered Robin Grove Clinics for \$55 and the Combined Test and Driving Trial were a bargain.

Join us. Help make it possible for us to do the things we could not do alone.

Guaranteed you will get your money's worth. Sign up early and pay the membership.

There is no better bargain around!
