

THE
COLONIAL CARRIAGE and DRIVING SOCIETY

The Saratoga Driving Association (SDA) and The Colonial Carriage & Driving Society (CCDS) invite you to participate in both clubs through a policy of dual membership!

As a current member of either club, you may join the other club for the reduced rate of \$16.00. You are then eligible to enjoy the competitions, social and educational opportunities offered by both clubs at the member rate. Please go to the respective websites for more information on the clubs.

We have entered into this arrangement to provide insurance coverage for events that are usually only limited to club members. By sharing we are able to offer more activities to the driving community. Also, each club has an affiliation with the Equine Journal and this arrangement will avoid duplication of subscriptions.
