 Members from all over the
 Northeast region.

We are a very active group of
 Carriage Driving Enthusiasts that work to
 promote the sport and discipline from the
 ground up: horse care, the harness, carriage
 selection, trail preparation, event planning,
 and competition. We want to promote and
 preserve the history and knowledge of
 horses as workers in harness driving.

We hold events, conferences, clinics and
 shows in cooperation with the American
 Driving Society (ADS), the
 Carriage Association of America (CAA),
 and other local clubs.

All are welcome to join us as members,
 competitors, or volunteers.
 We encourage you to join to be informed of
 our events. Visit our website
www.saratogadriving.com for current
 calendar and library of information.
