

SDA Club Jackets Ordering Form

Look like a member of the club! Get a jacket that shows your sport.

These jackets are fleece lined, very cozy, wash beautifully, and look nice, when you are out and about or at the barn.

\$55 — sold at cost, not as a fund raiser, because looking like you are part of the Saratoga Driving Association shouldn't be where we make money.

For the club we purchased navy with the gray logo. There are other color choices and you are welcome to choose what you like. Look on the description page.

Specify your choice of color and size. We will order the club colors if you don't choose something else.

There are men's and women's sizes. There is elastic at the wrist, so even if the arms are long, you can tighten up at the wrist and stay warm.

We have had these jackets for two years and everyone has been very satisfied with the quality and wear.
